The Nebraska Public Service Commission (Commission), on its own motion, opened this proceeding to amend Title 291, Chapter 7, Transmission Lines Rules and Regulations, to adopt rules regarding wires crossing any railroad track at public highway crossings in the State of Nebraska in accordance with Neb. Rev. Stat. §§ 75-702 to 75-724.

By letter filed on October 4, 2007, the Nebraska Telephone Association (NTA) seeks a Commission order moving the comment deadline currently set in the above-captioned matter from October 12, 2007 to November 12, 2007. NTA counsel stated that NTA requires more time to gather further data from its membership and to address the issue raised by the rule making with other industries. NTA therefore seeks an order moving the comment deadline.

Upon review of NTA's Motion, the Commission is of the opinion and finds that the Motion should be granted and the comment deadline moved from October 12, 2007 to **November 14, 2007**. As before, parties filing comments should file one original and eight (8) paper copies and one (1) electronic copy emailed to deena.kumke@psc.ne.gov.
